CLINICAL WORK EXPERIENCE

July 2009 - Present

Private Practitioner, 920 E. Sheridan Street, Laramie, WY 82070.

Duties:

- Private practice in clinical psychology offering individual, group, and couples counseling to multi-cultural population of adults. Practice is 80% adult individual; 15% psycho-educational and 5% couples. Weekly caseload of 25-28 patients.
- Specializing in treatment of Major Mood Disorders, Trauma, Adjustment Disorders, Personality Disorders, Chronic Health concerns and Bereavement.
 - Complete bio-psycho-social behavioral health evaluation and assessment.
 - Provide DSM-V diagnosis and develop effective treatment plans.
 - Administer and score psychological screening instruments, e.g., Mental Status Evaluation, SASSI-3 (Adult Substance Abuse Subtle Screening Inventory), Trauma History Screening, Beck Depression Inventory-II, Trait Anxiety Inventory.
 - Deliver effective brief, evidenced-based treatments, and long term counseling with an integrative approach of EMDR, ACT, CBT, Interpersonal therapy; and Mindfulness Based Stress Reduction.

Anne C. Bunn, PhD

- Coordinate services for case management and development of rehabilitation plans for complex patients in cooperation with multi-disciplinary referral sources, e.g., psychiatry, primary care providers, Department of Social Services and courts.
- Experience with administration and interpretation of WAIS-III, WMS-III and MMPI-2.
- Psycho-educational and Group Therapy.
 - Develop and facilitate community psycho-educational programs on anxiety/stress management, Mindfulness Based Cognitive Therapy for Depression Relapse Prevention; and Mindfulness Based Stress Reduction (MBSR).
 - Lead Women's PTSD therapy group.
 - Facilitate twice yearly workshops on Resiliency Training for city, county and state police; and First Responders.
- Maintain records in compliance with HIPAA regulations and APA ethical standards.
- Conduct Biofeedback – Certified HeartMath clinician.
- Supervise provisionally licensed Master's level counselors.
- Integrate indigenous healing practices with traditional clinical treatment for multi-cultural population.
- Provide CISM/CISD for workplace accidents and deaths.

Hours: 50-60/week

July 2008 – July 2009

Associate Director and Clinical Coordinator, University Counseling Center, University of Wyoming, Dept. 3708, 1000 E. University Ave., Laramie, WY 82071.

Returned to Associate Director position after 2 years as Interim Director of the Center.

Duties:

- Assistant to the Director for the overall management/operational functions of the Center which provides psychological services to university students.
 - Coordinated all appointment scheduling, assessed care delivery standards, and coordinated crisis response for students presenting for mental health evaluation and treatment.
 - Provided direct mental health care to multi-cultural student population using bio-psycho-social assessment and brief treatment model, approximately 18 students per week.
 - Facilitated psycho-educational groups (6-8 weeks) with students for stress and depression management; self-esteem and social anxiety.
 - Created rehabilitation plans to assist students with mental health concerns in returning to the classroom in cooperation with other campus agencies (Disability Support, Health Center).
 - Provided On-Call/Emergency response services after hours and weekends for campus-wide emergencies e.g., suicides, homicides, displacement and natural disasters.
- Developed and delivered dynamic outreach programs to students, faculty, and staff.
 - Assisted in obtaining grant for campus-wide Suicide Prevention Program.
 - Delivered over 15 suicide prevention outreach programs per year.
 - Presented to faculty and staff on stress management, anger management, time management, and responding to loss/grief.
